Important Information for All Income Tax Filers

This booklet contains the forms and instructions needed to file your 2009 City of Albion Individual Income Tax Return (AL-1040) and your 2010 City of Albion Estimated Individual Income Tax Vouchers (AL-1040ES). Read the instructions carefully before completing your return. You will need to complete your U.S. 1040 before you prepare your AL-1040.

WHO MUST FILE A RETURN

Every resident and nonresident with gross income of \$600 or more (\$1200 for a taxpayer age 65 or over as of December 31, 2009) from sources listed under "Taxable Income" must complete and file a return.

To claim a refund because the tax withheld or paid is more than the tax due, you must file a return.

If you filed form AL-1040ES for 2009 you must file an annual return even if there is no change in tax liability.

Each partner in a partnership is required to file an AL-1040. If the partnership elects to pay tax on behalf of the partners, the partners are not required to file a return as long as they have no other income subject to tax. Partners who file may take credit on line 19 for tax paid on their behalf by the partnership.

MARRIED PERSONS- JOINT OR SEPARATE RETURNS

A husband and wife may file either a joint return or separate returns.

Residents filing jointly must include total income of both spouses.

Nonresidents filing jointly must include total income earned in Albion of both spouses.

Part-year resident. You are a part-year resident if you moved your permanent home into or out of the city limits of Albion during the year.

Non resident. You are a nonresident if you maintain a permanent home outside the city limits of Albion.

Change of Residence. If your residency status changed from either a resident to a non resident or a nonresident to a resident, complete Schedule 3 on page 2 of form AL-1040.

EXTENSIONS

To request more time to file your Albion tax return, send a payment of your estimated annual liability to the City of Albion, with a completed *Application for Extension of Time to file City of Albion Tax Returns (AL-4267)* on or before the original due date of your return. Albion will extend the due date only if a payment is made. You may request an extension by writing to the City of Albion, Income Tax Division, 112 West Cass Street, Albion, MI 49224-0900. Albion will not notify you of approval. Do not file an extension if you will be claiming a refund.

An extension of time to file is not an extension of time to pay. If you underestimate the tax due and do not pay enough with your extension request, an assessment for penalty and interest will be sent to you.

When you file your AL-1040 return, include on line 18 the amount of tax you paid with your extension request. Attach a copy of the extension to your return.

PENALTY AND INTEREST FOR FILING AND PAYING LATE

Your return must be postmarked no later than April 30, 2010. If you file and pay late, penalty is due at the rate of 1 percent per month to a maximum of 25 percent of the tax due. Interest is also due at the annual

rate of 1 percent above the current prime rate. (The interest rate is adjusted on January 1 and July 1 of each year.) If the computed penalty and interest amount is less than \$2, the minimum late charge is \$2. Include penalty and interest amounts on line 21.

2010 ESTIMATED PAYMENTS

You must make estimated income tax payments throughout the year if you expect to owe more than \$100 when you file your 2010 AL-1040 return. You must pay at least one-fourth (1/4) of the estimated tax with your first voucher which is due April 30, 2010. The remaining balance will be due in three equal payments to be made on June 30, 2010, September 30, 2010 and January 31, 2011.

If you file estimated tax payments, you must still file an annual return. You may adjust your estimate when making any quarterly payment. Failure to file estimated tax payments when required will result in penalty and interest charges.

DECEASED TAXPAYERS

The estate of a taxpayer who died in 2009 (or 2010 before filing a 2009 return) must file a return if the taxpayer owes tax or is due a refund. The surviving spouse or the

personal representative may file the return.

The surviving spouse may file a joint return for 2009. Write your name and the deceased's name and both Social Security numbers on the AL-1040. Write "deceased" after the decedent's name. You must report the decedent's income. Sign the return. In the decedent's signature block, write "Filing as surviving spouse" and the decedent's date of death. **The personal representative** should enter on line 1 the names of the decedent and personal representative in the following order:

John Brown, Estate of
Jane Green, Rep.

Representative's Address

Use the decedent's Social Security number and the personal representative's address. Enter the date of death in the signature block.

AMENDED RETURNS

If you made an error on a return previously filed, correct it by filing an *Amended Albion Individual Income Tax Return (AL-1040X)*. If your amended return claims a refund, you must file it within four years of the due date of your original return. If a change on your federal return affects Albion taxable income, you must file an AL-1040X with Albion within 90 days of the change. Include payment of any tax and interest due. If you have overpaid, use this form to request a refund.

Line-by-Line Instructions for Form AL-1040

Lines not listed are explained on the form.

Line 1: Only married taxpayers may file joint returns.

Line 2-3: Write your Social Security number(s) here.

Line 4: Residency. Check the box that describes your Albion residency in 2009. If you or your spouse had a different residency status during the year, check a box for each of you. Part year residents enter from/to dates.

Line 5: Exemptions. Check all boxes that apply. List dependents in the space provided. Only dependents qualifying under Internal Revenue Code (IRC) may be claimed. Attach an additional sheet if necessary.

Line 7: Total Income

Residents. Enter the total income from your 2009 W-2 forms, 1099's, and/or federal schedules. If you have no additions or subtractions, carry this amount to line 11. **Attach copies of W-2s, 1099s and federal schedules.** If you use your adjusted gross income from your Federal 1040 attach a copy of page 1.

Nonresidents. If you worked 100 percent of the time in Albion, enter your total self-employment income or the full amount of

gross wages from your W-2. If you are self-employed, include U.S. Schedule C and any other supporting schedules. If you are an employee with W-2 income and performed services both inside and outside of Albion, you must determine the portion of income taxable to Albion by completing Schedule 1 on page 2 of form AL-1040. **You must also include a statement from your employer indicating both the total number of hours worked and the number worked in Albion.**

Line 8: Additions (attach schedules and explanations).

Residents. Enter losses before January 1, 1972 on sales and exchanges of property which have been deducted in arriving at adjusted gross income.

Nonresidents. Enter net profit or loss from rental property or net profit or loss from sales of property located in Albion. Losses including carryovers are computed and used to offset gains in the same manner as in the Internal Revenue Code. Only gains or losses incurred after January 1, 1972 on property in Albion are taxable. This may be determined by (1) difference between the fair market value

on January 1, 1972 and sales price, or (2) multiplying the federal income tax gain or loss by the ratio of number of months held after January 1, 1972 to total months held. **NOTE: If you had self employment income and used your federal AGI on line 7 add back the deduction for 1/2 of self employment tax.**

Schedule 2 – Self employed

Nonresidents. Complete schedule 2 if your business earned income both inside and outside the City of Albion, **attach worksheet and copy of federal schedule C.** Enter any other items earned in Albion which are taxable to a nonresident (see "Taxable Income").

Line 10: Subtractions (attach schedules and explanations).

Note: Not all deductions allowed by the IRS are allowed for city income tax. For example the deductions for Self Employment Tax, Self-Employed Health Insurance, student loan interest, educator expenses, tuition and fees are not allowed as deductions on your Albion return. Deductions are not allowed for personal expenses such as taxes on your home, interest on loans, ect.

Residents. Enter portion of gain on sale of property before January 1, 1972. The amount of gain or loss occurring before January 1, 1972 can be determined either by (1) computing the difference between the cost and fair market value at January 1, 1972, or (2) multiplying the federal income tax gain or loss by the ratio of number of months held before January 1, 1972 to total months held. Also enter any nontaxable income (see "Nontaxable Income") if the income was reported on line 7 or line 8, explain deduction.

Resident and Nonresidents. Enter the amount of the following expenses you incurred as an employee in the City of Albion.

1. Travel, meals and lodging while away from home.
2. Expenses as an outside salesperson who works away from his/her employer's place of business (does not include driver/salesperson whose primary duty is service and delivery).
3. Transportation (but not transportation to and from work).
4. Expenses reimbursed under an expense account or other arrangement with your employer, **only if the reimbursement was included in gross income.**

For nonresidents, the adjustments are limited to the amount shown on your U.S. 2106 multiplied by the percentage on AL-1040, Schedule 1, line 3. If you did not complete Schedule 1, use 100% of your U.S. 2106 amount.

All filers deducting employee business expenses must attach a copy of their U.S. 2106 to their AL-1040.

Other allowable subtractions are:

1. Alimony paid. You may deduct alimony, separate maintenance payments and principal sums payable in installments, to the extent deductible under the IRC. Nonresidents must prorate the deduction based on the percentage of income taxable by the city as it relates to total federal adjusted gross income. CHILD SUPPORT IS NOT DEDUCTIBLE.
2. IRA contributions are deductible to the extent deductible under the IRC, attach proof of payment. Nonresidents must prorate if there is earned income not taxable for the City of Albion.
3. Sick pay which would be excludable under the IRC and which was included in gross income on AL-1040 line 7.

Nonresidents & part year residents please note: If you completed AL-1040, Schedule 1, 2 or 3 and are also claiming

any of these subtractions, your subtraction(s) must be prorated.

Line 13: Taxable Income Subtract line 12 from line 11. If line 12 is larger than line 11 enter zero (0).

Payments and Credits

Line 15: Albion Residents Only. Credit for tax paid to another city. Enter the amount of income taxed by other Michigan cities **after exemptions and deductions taken on other city form.**

\$ _____
To calculate the credit, multiply above amount by ½ percent (.005); compare to the **actual tax paid** to the other city (from other city return), enter the lower of the two amounts on line 15. **The amount of credit may not exceed the amount of tax actually paid, the credit is not necessarily the amount of withholding. You must attach copies of income tax returns filed with other cities to claim this credit. This is a nonrefundable credit.**

Line 18: Enter the total estimated tax paid with your 2009 *City of Albion Estimated Tax Declaration Voucher* (AL-140ES), the amount paid with an extension request, and the amount of your 2008 overpayment applied to this year's tax (from 2008 AL-1040, line 23).

Line 21: Tax Due. If line 20 is less than line 16, enter the difference. This is the tax you owe with your return. If the balance due is less than \$1, no payment is required, but you must still file your return. See "Mail to" address on bottom of page 2 of return.

Line 22: Overpayment. If line 20 is greater than line 16 enter the amount overpaid. You may elect to have the whole overpayment or a portion of it credited to 2010 estimated tax (Line 23), donated to operational expenses of Albion (Line 24) and/or refunded (Line 25).

Line 25. Your Refund The city does not refund amounts less than \$1, but you must still file your return. See "Mail to" address on bottom of page 2 of return.

Instructions for Filing Your City of Albion Application for Extension (AL-4267)

This information is issued under P.A. 284 of 1964.

An extension of time to file the federal return automatically extends the due date of the city return the same length of time. **An extension of time to file is not an extension of time to pay.** If at the time the extension is filed, you determine additional city income tax is due, pay the amount due on this form or on a copy of the federal extension. If no tax is due, it is not necessary to send an extension form to the city of Albion by April 30th (the copy of the federal extension attached to your return will be sufficient). Attach a copy of all federal and city extensions to the AL-1040, AL-1041, AL-1065 or AL-1120 when it is filed.

PART 1: Identification

Lines not listed are explained on the form.

Line 1. File a separate application for each tax type. Check the box next to the tax this application is for.

Lines 2 and 3. Corporation, partnership and fiduciary filers must enter their federal employer identification number (FEIN) on line 2. Individual income tax filers must enter their Social Security number on line 3.

Line 4. Print or type your mailing address.

Line 5. Enter taxpayer's name and address only if it is different from the mailing address listed on line 4.

PART 2: Computation and Payment of Tax Due

You must estimate your tax liability for the year and pay any unpaid portion of the estimated tax due with your application for extension. The application and payment must be postmarked on or before the original due date of your return.

If you underestimate your tax due and do not pay enough with your application for extension, you must pay interest on the unpaid amount. Compute interest from the due date of the annual return. The interest rate is 1 percent above the prime rate and is adjusted on January 1 and July 1. Interest is charged from April 30th (or the due date of the return) to the date you pay the rest of the tax.

Penalty of 1 percent per month to a maximum of 25 percent of the unpaid tax for failure to pay may also be applied.

Line 7. Payments made to date include quarterly payments, a credit forward from the previous tax year and any other payments previously made for this tax year. Individual income tax filers should include any city withholding.

PART 3: Extension Request

Line 13. If the extension will extend the filing period of the city return beyond the federal extension, attach a copy of the approved federal extension.

Line 15. Check the box if Albion has already granted you an extension for this tax year. If you need more time, submit a new application with a copy of the original application before the original extension expires.

Use this form only to request an extension of time to file an Albion tax return.
Follow the payment and mailing instruction on the front of the form.
